

ROCHESTOWN AUTO CENTRE LTD. CHOOSES INTELLIGO SOFTWARE AS PREFERRED PAYROLL SOFTWARE SUPPLIER

8th December, 2006 Dublin Ireland: Intelligo Software, one of the leading Human Resource and Payroll providers in Ireland and the UK today announced that Rochestown Auto Centre Ltd has selected Intelligo Software's, VIP Payroll Manager, to manage their payroll function.

Rochestown Auto Centre is engaged in the retail motor trade. Selling new Citroen cars, together with a wide variety of quality used cars. General car services and repair work is also done in the modern and fully equipped workshop. Managing Director, Terry Murphy, was looking for a payroll system that was simple and easy to use and would provide more versatility than their current system.

According to Murphy, "We chose VIP Payroll Manager over other systems in the marketplace as Intelligo Software took the time and trouble to make personal contact with us and immediately offered to make a practical demonstration of the system."

"Intelligo Software is pleased to have been chosen as Rochestown Auto Centre's preferred Payroll provider. We pride ourselves in offering the best range of Human Resource and Payroll software throughout Ireland, we are confident that we can deliver the support and training Rochestown Auto Centre need to benefit from using VIP Payroll Manager", according to Pdraig Gill, Sales and Marketing Director of Intelligo Software Limited. "We are delighted to announce our recent partnership with Rochestown Auto Centre Ltd."

About Intelligo Software Ltd

Intelligo Software Ltd was established in 1996 following a management buyout of the Human Resource software and corporate Payroll software sections of Computer Resources Ltd. The company was established by Padraig Gill (Sales and Marketing Director) and John Kellegher (Technical Director), both have considerable experience in both HR software and payroll products.

During this time, Intelligo Software Ltd has grown to become one of the leading suppliers of Human Resources and corporate Payroll in Ireland. The company offers both "boxed" HR and Payroll software aimed at small to medium size enterprises and a larger client server payroll system aimed at large corporate organisations within Ireland.
